Down Hall Country House Hotel is our recommended choice for your corporate event.

We recommend shooting at 50 clays each, which is enough shooting to really feel that you've had a good go at it, & hopefully get the bug!

All events start with a safety / gun handling briefing, some practice, a friendly competition & a trophy presentation at the end of the event. Trophies can be personalized with your company name on them at no extra cost.

Guests are issued with hearing protection & safety glasses during the briefing.

General format: (timings will be altered to suit your individual requirements whether it be an a.m. or p.m. event)

Half day event:

- 9:30am Arrive at venue (tea /coffee)
- 10:00am Meet the instructors / safety briefing & general overview of the event.
- 10:15am Practice session, 20 shots each, 10 at a time rotating within the groups.
- 11:15am Competition, 30 shots each, 10 at a time rotating within the groups.
- 12:45 pm. Trophy presentation to winning guests or team, either on the activity field, or in the hotel bar area.

Outdoor gazebos will be on hand, to stop the weather ruining the days play.

Smaller gauge guns are available for ladies if required.

Prices depend on group size, but to give you an example at Down Hall

half days clay shooting (50 shots) for 8 / 20 guests costs £79 + VAT per guest, groups of 21+ £69 + VAT per guest.

For a full days shooting in the afternoon we set up a team flurry event for you.

Basically teams of 3 or 4 shoot a sequence of around 40 clays which are launched in a random manner. There may be up to 6 clays in the air at any one time, so it's a bit like a free for all. Great fun that's gets the adrenalin flowing!

Guests can shoot the flurry as many times as they wish for around 2 hours in the afternoon.

A full day for 15+ guests shooting 50 each in the morning & doing a flurry that may involve shooting around 50 / 100 shots in the afternoon costs £139 + VAT per guest.

Archery can be added to the event. This costs £250 + VAT per layout.

Air rifle shooting ranges can also be included these cost £250 + VAT per layout.

The format can be tailored to suit your timings & budget as you wish. For example if you wanted to include 2 or 3 activities in to your event, the competition can be altered accordingly, with prizes for best individuals &/or teams.

The prices quoted don't include any catering, but do include using the hotel's grounds. You're welcome to contact the venue directly to discuss catering / conference facilities.

As a general guide:

- Breakfast around £16 per guest
- Finger Buffet lunch from around £21 per guest
- Dinner (3 course) around £30 per guest

Hope this is useful.

If the prices quoted don't fit your budget, please let me know so that we can put together a package that does, if possible.

Please don't hesitate to contact me if you have any further questions.
