

CLAY PIGEON SHOOT LTD KARTING

Down Hall & Essex Shooting Ground

Our karts are Honda powered off road buggies with full roll cages, three point safety seat belts & racing seats. All of the karts are fitted with remote cut offs, so should you need to be slowed down, or stopped at anytime we can do this to maintain a safe environment for everyone.

Our karting events are all about enjoying a safe off road experience within a controlled atmosphere, not driving like a maniac until something goes wrong!

Please note that anyone who has been drinking alcohol prior to an event will not be allowed to participate at all without exception.

In order to take part all participants must have passed a UK standard or similar driving test. Minimum age is 17. Maximum age 60. Participants need to be less than 18 stone in weight & no taller than 6'4. A standard disclaimer needs to be completed on the day.

Anyone that suffers from any medical condition that might be affected by this kind of activity should not participate e.g. heart conditions etc.

Events start between approx 9am & 2pm & last around 2 hours depending on the number of guests in the party.

Format as follows:

Meet the instructors & get issued with gloves, overalls, & crash helmet (full face with visor).

Warm up laps:

You'll get to drive around the track in a very steady manner playing follow the leader in teams of 2 / 4 drivers at a time. This is to familiarise drivers with the track & the way the karts handle. Up to 3 or 4 karts can be out at a time

depending upon conditions on the day. This not a race & overtaking is not permitted. There may be extra cones out on the track to slow drivers down according to conditions. Anyone who persistently knocks them over as a result of careless or reckless driving, may find themselves disqualified. Health & Safety is the main priority during any of our events. If you think that any members of your party are incapable of driving in a sensible manner, please don't bring them with you!

Timed team laps:

Teams will take turns to complete a specified number of laps around the track. The clock starts with first driver & finishes when the last driver passes the finish line. Tactics & good teamwork are essential here! Teams take turns to operate the stopwatch & count the laps for each other. Any cones that get knocked down will add penalty seconds to the team time! Time permitting each team will get two goes at qualifying for the final.

Winners finale:

The winning team members will race against the clock to achieve the fastest time.

This usually comes down to getting around the course without knocking lots of cones over!

Winning medals presented to 1st, 2nd & 3rd .Extra trophies can be made available by prior arrangement.

The event will last around 2 hours depending upon the number of participants in your group. For groups of 12+ events will last longer, please enquire when booking. It's not possible for us to state how many laps each driver will do as track / weather / conditions will govern speed.

As an example a group of 12 may be on the track for 2 hours, e.g.

- Warm up session in teams of three (40 minutes)
- Timed team laps (50 minutes)
- Winner's finale approx 15 / 20 minutes
- Getting in & out of the karts during the event around 15 minutes

The cost for the above is: Up to 10 / 15 guests £800 + VAT

You'll need to wear outdoor clothing including walking boots/old trainers or similar (no high heels). Clothing and footwear could get wet and muddy during the activity, so it is advisable to bring a change of footwear.

Please note drinking alcoholic beverages is not permitted before or during any of our events.

Anyone who has been, or appears to have been drinking, or taking mind / mood altering drugs will not be allowed to participate.

Best regards

Olly Searl
